Re: Determination of Completeness, Genwal Coal Company, Lease
Tract #2, ACT/015/032, Folder No. 2 and 6, Emery County, Utah

The Utah Division of Oil, Gas and Mining (Division) has completed a review of the Mining and Reclamation Plan (MRP) and amendments submitted by Genwal Coal Company, for the Lease Tract 2 addition to the Crandall Canyon Mine. This Division has determined the plan to be apparently complete. In compliance with Section UMC 786.11(b) and (c) of the Utah Coal Mining Reclamation Act (UMC, Section 40-10-1 et seq.), notice is hereby given to all appropriate agencies having jurisdiction over or an interest in the area of the operations that a complete plan is available for public review for this operation.

The Crandall Canyon Mine is located in Crandall Canyon, a side canyon of Huntington Canyon. The permit area is located on the 'Rilda Canyon' U. S. Geological Survey 7.5 minute quadrangle map.

The Crandall Canyon Mine has been operated by Genwal Coal Company since 1983. The Lease Tract 2 addition will add 77.53 acres to the permit area. The coal is leased from the United States Bureau of Land Management, lease number SL 062648. The Surface lands are controlled by the United States Forest Service, Manti-LaSal National Forest. Mining of this lease will require no additional surface disturbance.

The following areas comprise the addition to the permit area for the Lease Tract 2:

Township 16 South, Range 7 East, Salt Lake Baseline and Meridian:
Section 5: NW 1/4 NW 1/4
Section 6: NE 1/4 NE 1/4

The Division of Oil, Gas and Mining will now prepare a Technical Analysis (TA) to determine whether the plan meets all the criteria of the Permanent Program Performance Standards according to the requirements of UCA, Section 40-10-1 et seq.

Upon completion of the TA for said plan, a decision will be made as to approval or disapproval of the permit application. No decision will be taken by the Director for a minimum period of 30 days after submission of this Notice of Availability to the appropriate agencies. This plan is available for public review at: Division of Oil, Gas and Mining, 355 West North Temple, 3 Triad Center, Suite 350, Salt Lake City, Utah 84180-1203.

Comments on the MRP may be addressed to the Director of this office: Dr. Dianne Nielson, Director, Division of Oil, Gas and Mining, 355 West North Temple, 3 Triad Center, Suite 350, Salt Lake City, Utah 84180-1203.
